#### **GOALBALL**

# Title heads south as North London win final 5-2

THERE WAS a terrific turnout for the Leeds goalball experienced tournament at Armley Sports Centre, with ten teams taking part.

Leeds and District, where goalball has flourished over the last year, were proud to enter three teams, while Moor End entered an experienced team for the first time.

There were also teams from London Sports, North London and two teams each from Rochdale and West Midlands.

Congratulations go to Rochdale B, who had a couple of fine wins against London Sports and West Midlands B. There were also encouraging performances from Leeds B and Leeds C.

In a competitive final, Leeds A faced undefeated winners North London, who made a promising start by scoring an early penalty.

Although Leeds A quickly responded by scoring a penalty of their own, North London went on to take a 5-1 lead before Leeds A scored a consolatory second goal.

There were some strong individual performances on the day, particularly by Michael Haworth, of Rochdale, and Katy Colman, of Leeds.

Thanks go to the officials and all those who helped to make the tournament a success.

Members of the winning teams from the West Midlands in the British Goalball Cup. See report on next page.

# Leeds make hay as sun shines

THE scene was set, the sun was shining, and it was a glorious day for the eight goalball teams about to battle it out for the Rochdale development title.

The tournament got off to a start and on time, quite rare an achievement for many goalball tournaments. The first game between Moor End and Bury B was brimming with enthusiasm, and there were some old hands and, pleasingly, some new faces in both teams.

Staffs Uni made a disastrous start and were 'mercied' by Rochdale in the second half. Thankfully, they improved throughout the rest of the tournament.

Leeds had a very strong team, with a German influence, something pleasantly unusual for a development tournament. Loughborough showed great improvement with their play, and we would like to commend Paul for some excellent goals. Bury A were also a very strong team who showed great improvements throughout the tournament.

Rochdale's Ray showed off his acrobatics after each Rochdale victory, and Rochdale C fought hard, with the difficult act of following their B team's performance.

There were some new faces on the officials' table, which was also great to see. The food was good and everyone seemed to enjoy the day. We even had a golden goal situation after Moor End and Bury A finished 4-4 in the play offs – very exciting.

The teams finished in the following order: Bury B, Rochdale C, Moor End, Bury A, Staffs Uni, Loughborough and runners-up Rochdale B, who were defeated by the very worthy winners, Leeds.

#### BRITISH GOALBALL CUP

WEST MIDLANDS claimed their fifth consecutive British Goalball Cup when they defeated North London in the final at Warley High School.

Five teams set out to try to break West Midlands' run – Leeds, London, North London, Rochdale, and a West Midlands B team.

The first day's round robin threatened potential elimination for the two teams propping up the league.

Living up to expectations, West Midlands cruised into first place with notable 7-2 and 9-6 wins over second placed London and third placed North London respectively.

Plucky defending and strong nerve under pressure allowed Leeds to wrack up a 12-11 victory over Rochdale in a thrilling confrontation, and to triumph 9-7 against West Midlands B in an equally exciting encounter to capture the last qualifying position for the semi finals.

Day two saw a reinvigorated West Midlands B improve their

# Five titles in a row for the mighty Midlands

form to beat Rochdale to fifth position. West Midlands A won the first semi-final convincingly, while London and North London were embroiled in a close game.

London equalised twice before an uncharacteristic loss of discipline, conceding penalties and a 5-2 scoreline. Stolidly they continued their spectacular shooting, scoring twice to set up a grandstand finale, which saw North London cling to their lead, just.

The final was dramatically poised with West Midlands' Barrie Lane, the new Great Britain coach, centering with two experienced international players, Joe Dodson and James Risdon, well organised

in defence and strong with shot.

They faced North London's whirling dervish, Michael Sharkey, the highly-focussed Chris Hodgson, and in-form newcomers Nick Killen and Yahye Siyad.

The final seemed beyond North London by half time, when they trailed 6-0, but hopes of a dramatic comeback were restored at the midpoint of the second half when the score stood at 7-4. Assured defending, though, allowed West Midlands to see out the match and claim their fifth consecutive goalball cup.

We would like to thank the referees and officials for all their hard work.

## West Mids regain women's crown

By KAREN LUKE

THE WOMEN'S Goalball Cup was a high-quality tournament, with some old and plenty of new faces.

It was a first-time experience for Yvette, Veronica, Emily and Nicola, which would not have been obvious to anyone watching their play.

Our first day was held in Walsall, and the Rochdale team fought hard in this familiar venue, scoring the first goal in each of their games.

The Worcester-Leeds game was again close, with a draw of one goal each, which obviously would mean an exciting semi-final.

West Midlands came out top in the group, and the scene was set for exciting finals.

The Goalball Cup displayed real progress in women's goalball and the international referees present should have been impressed.

Our change of venue did not lower the standard of play,

which was probably fuelled by the excellent buffet provided by Warley High School.

As promised, a tight semifinal was fought, and Leeds were finally victorious over the determined Worcester team.

West Midlands and Leeds faced one another in the final, and a high standard was displayed by all the players, with West Midlands running out deserving winners, regaining their title without losing a match.
